Presenting ...

The background is a light cream color. It features three overlapping, rounded rectangular shapes. The top-left shape is light beige and contains the word 'THE'. The middle shape is a darker beige and contains the year '1960'. The bottom shape is solid black and contains the word 'CATAMOUNT' in white. A thin, dark curved line starts from the right edge of the top shape, passes behind the middle shape, and ends near the bottom-left corner of the black shape.

While he has been at WCC, President Reid has won the admiration and respect of everyone by his guidance of the development of the college, and by his constant concern for the welfare of the student body.

MISS MAMIE RAE BROOKS

The 1960 CATAMOUNT is affectionately dedicated to Miss Mamie Rae Brooks, one of the best loved and certainly one of the best known teachers on our campus. She endeared herself to the student body, faculty and staff by her devotion to the CATAMOUNT and by her sympathetic and understanding attitude toward the students.

We, the CATAMOUNT staff of 1960, feel that we speak for the entire student body when we say, "Best wishes, Miss Brooks, and thanks a million for everything."

GROVER PEOPLES

To many of us, the name Grover Peoples meant fun, love and happiness. Grover is no longer with the students of W.C.C., but he left a little of himself with each of us.

It's Indian Summer for the native Cherokee;
It's harvest for the reaper, and its autumn for me.
The rustling leaves play the last of Summer's "Star Dust";
The hills before me have turned from green to rust.
The fields are white with asters; no longer do roses grow.
But winter follows autumn, and spring melts winter's snow.

The Gamma Tau Fraternity was founded on October 7, 1957, and became affiliated with The Delta Sigma Phi National Fraternity in May, of 1959.

Gamma Tau strives to bring men together under the bonds of brotherhood which are based on eternal values, to teach that true men should stand together for the supremacy of good over evil, and to foster the recognition of true merit wherever deserved.

The chapter strongly supports member participation in all types of campus events and activities. These include sports, publications, student government activities, religious activities, and particularly scholarship.

Activities of Gamma Tau include dances, hikes, barbecues, intramural sports, and social events of all types.

On December 5, 1959, the brotherhood was initiated into The Delta Sigma Phi National Fraternity, thus becoming the third national social fraternity on the campus.

North Carolina Beta Chapter of Kappa Sigma Kappa Fraternity was chartered on April 25, 1958, thereby becoming the first national social fraternity on campus. Since that time, the brothers have worked together as a team, and have developed a fraternity that meets the students personal needs, preserves and improves character, and keeps scholastic achievement at a high peak of efficiency.

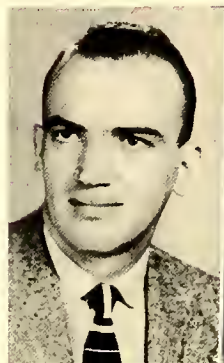

Kappa Sigma Kappa takes an active part in all campus activities, and strives to further the interest of the College at all times. Besides publishing the Student Directory, participating in the Homecoming Parade, and promoting various social events on the WCC campus, the brothers hold important offices in such organizations as Men's House Government, The Western Carolina, Senate, S.A.M., Day Students' Government, and others.

With a central emphasis on morally sound interests, values, and attitudes, Kappa Sigma Kappa is able to concentrate on its prime purpose of developing a well-rounded scholastic, social, and cultural background.

Sergeant-at-Arms

The efforts of 33 members of a local fraternity, Lambda Phi Kappa, were culminated on the weekend of April 4, 1959, when they were installed as Zeta-Omicron chapter of Tau Kappa Epsilon, the largest fraternity in the world. The founders of TKE on the Western Carolina College campus established a fraternity of men chosen "not for their wealth, rank, or honor, but for their personal worth and character."

Tau Kappa Epsilon emphasizes the importance of careful balancing of social activities, scholastic achievement, and participation in the extra-curricular program of the college. The fraternity has prided itself on the interest its members have shown in sports, student government, publications, and above all, scholarship. "Above all else Tau Kappa Epsilon stands for scholarship;" last year Tau Kappa Epsilon was number one in the nation in scholarship.

Highlights of the TKE social calendar include the Sweetheart Ball, Founder's Day Banquet, and monthly parties. Each quarter a TKE Sweetheart is chosen, and at the Sweetheart Ball one of these is crowned as TKE Sweetheart of the Year.

Presently, as always, Tau Kappa Epsilon strives to bind men together in brotherhood to recognize true merit wherever deserved regardless of race, religion, or creed.

The Gang retreat.

Gamma Rho Chapter of Sigma Kappa Sorority was installed on the campus of Western Carolina on November 8, 1958. Sigma Kappa is one of the oldest national sororities, being founded at Colby College, Waterville, Maine, in 1874. One of the top five National Sororities, Sigma Kappa is now what she was in the beginning—an organization of college women to promote high scholarship, intellectual and social life among its women.

Gamma Rho Chapter has sponsored a semi-formal campus dance, Christmas party, and an active Gerontology program. During Christmas, the chapter sent tray favors to the hospital, fruit and gifts to the Old Folk Home in Sylva and made prayers to put on each table in the cafeteria. The national philanthropy, which the sorority supports, is the Maine Seacoast Orphanage. During the year, the Sigmas send gifts and money to the Mission.

The sponsors of the Chapter are: Mrs. Lilian Buchanan, Mrs. Annie Buchanan, Mrs. Mabel Crum, Mrs. Emma Allison, and Mrs. Anne Seeger.

The sorority jewel is the pearl, the flower is the violet, the colors are lavender and maroon, and the open motto is "Onc Heart—One Way."

LITERARY

Marshals Club is an organization with two objectives. One is to furnish ushers for public programs of the college, and the others is to function as a social club.

Every year this organization contributes to the entertainment programs for the student body by sponsoring the Homecoming Dances. The initiation of new members also adds a bright spot to the recreational side of college. The Club furnishes Commencement Marshals at the Graduation Exercises. Membership in the club is by invitation.

## THE RETURN OF LITTLE CEASAR

(Editor's Note: Little Caesar, traditional symbol of victory and school spirit here at WCC, was stolen last fall by a group of ASTC students. They have recently brought him back. He is painted ASTC school colors, and has a damaged left arm.)

The date was Thursday, September 17. The sun shone unusually bright on the beautiful Cullowhee valley. Suddenly, the sound of trumpets was heard in the distance. The hope within our hearts, the hope we had cherished for almost a year, sprang up anew! Could it be true? Yes — our hero, our king, our Caesar had returned. The girls sang, the men shouted with glee. Our traditional chief had returned.

His Majesty's gruesome and gruelling experience began in the wee hours of that ill-fated night of September 28, 1958. A barbarous band of ruthless infiltrators silently attacked and overcame our illustrious leader while he was alone and unable to defend himself, and dragged him back into their remote mountain lair.

This atrocious crime did not go unnoticed by our student body. However, our intelligence division was unable to locate the secluded prison in the impenetrable wilds of Wautauga County, so our leader remained in chains. For

almost a year our proud symbol of Victory was forced to endure the humiliation and degradation of being held against his will in that stronghold of iniquity.

And he did not go without bodily harm. His left arm was mangled and shattered, evidently in an attempt to escape. The odds were too great for his heroic efforts. But the arm is not beyond repair. He was painted black and gold by his assailants, which are the colors of a condemned man in their primitive culture. This can also be remedied.

Our glorious leader was returned to us in the custody of some of the high-ranking warlords of our enemy. Since he was returned only two days prior to the Catamount attack on the home field of the enemy, it is thought that his release took place, not out of mercy, but out of fear that the Catamounts would give no quarter, were Caesar still held in captivity. But regardless of the reasons, his return was a victorious and triumphant one to us, his loyal subjects.

Some say that there are those among us who do not know Caesar or recognize him as their leader. A world of advice to those who are new among us—learn to respect and be devoted to our leader, for he has returned to his throne, his people, and his native land.

**THE NAME DOESN'T MATTER . . .**

Some People say we should get a new name for it! But whether we call it free enterprise, American Way of Life, or Profit and Loss System, the name doesn't matter as long as we understand that it means hope, decency, courage, dignity and education.

Change the name if you like, but be ever alert against those who would change or destroy the meaning.
